

 FOOTHILL COLLEGE

COMMENCEMENT

— JUNE 30, 2023 —

Los Altos Hills, California

LAND ACKNOWLEDGEMENT

Horše túuxi! (Hor-sheh troo-hee)

Foothill College recognizes that it is located on the ethnohistoric territory of the ancestral and traditional land of the Puichon Thámien Ohlone-speaking People, and the successors of the historic sovereign Verona Band of Alameda County, presently identified as the Muwekma Ohlone Tribe of the San Francisco Bay Area. This land was and continues to be of great importance to the Muwekma Ohlone Tribe and other familial descendants of the Verona Band.

We recognize that every member of the greater Foothill College/Los Altos Hills community has, and continues to benefit from, the use and occupation of this land, since the institution's founding in 1957. Consistent with our values of community, inclusion, and diversity, we have a responsibility to acknowledge and make known through various enterprises Foothill College's relationship to Native peoples. As members of the Foothill College/Los Altos Hills community, it is vitally important that we not only recognize the history of the land on which we live, work, and learn, but also, we recognize that the previously federally recognized Muwekma Ohlone Tribal People are alive and flourishing members of the Foothill College/Los Altos Hills and broader Bay Area communities today. Aho!

THE STAR-SPANGLED BANNER

O say can you see by the dawn's early
light,
What so proudly we hailed at the
twilight's last gleaming,
Whose broad stripes and bright stars
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rockets' red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there;
O say does that star-spangled banner
yet wave,
O'er the land of the free and the home
of the brave.

Composed by Francis Scott Key

LIFT EV'RY VOICE AND SING

Lift ev'ry voice and sing
'Til earth and heaven ring
Ring with the harmonies of Liberty
Let our rejoicing rise
High as the list'ning skies
Let it resound loud as the rolling sea
Sing a song full of the faith that the dark
past has taught us
Sing a song full of the hope that the
present has brought us
Facing the rising sun of our new day
begun
Let us march on 'til victory is won

*Written by James Weldon Johnson
Music by John Rosamond Johnson*

ALMA MATER

Oh, Foothill we raise our voices in
praise
For all of the joys we've known.
Your scarlet and black will welcome
us back,
No matter how far we may roam.
By the bay and the blue of Pacific's
shore
Lies the campus we'll love forever
more.
Oh, college so fair, there's none can
compare
With you, alma mater we love.

*Music and lyrics originally composed by
Foothill College
instructors Fred Warren and Melvin
Applebaum*

SPEAKERS

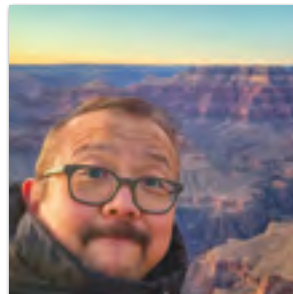

ADI SEREIMA TUIDELAIBATI

Student Speaker

Adi Sereima Tuidelaibatiki is a first-generation college student. She is graduating with an associate degree in Business Administration and will be transferring to San Jose State University in the fall to study Corporate Business Finance and will also pursue a minor in Accounting. Adi intends to attend graduate school to study Criminal Law.

Adi has involved herself in campus life and in her community; she is the president of the Black Student Union, a co-president of People of the Pacific Club, a member of the Anthropology Club and several other clubs on campus. She volunteers on campus and in Oakland at the St. Mary's Center homeless shelter. This non-profit organization does tremendous work in reaching out and helping low-income and homeless seniors as well as helping families with preschool aged children. On top of all that, she holds a full-time job as a dog walker and caregiver.

LAURENCE LEW

Faculty Speaker

Laurence Lew is a dedicated and passionate full-time professor in the Business Department at Foothill College, where he has been shaping young minds since 2014. With a burning desire to empower his students to reach their full potential and make a lasting impact on the world, Laurence brings a wealth of knowledge from his extensive experience spanning over 30 years in a broad range of companies, industries, and leadership roles.

As an educator, Laurence firmly believes in the power of innovation and the entrepreneurial spirit to bring people together and achieve remarkable feats. He thrives on being part of positive change within the community and takes immense pride in equipping his students with both theoretical insights and practical wisdom, and guiding them toward lifelong success.

In addition to his dedication to education, Laurence also harbors a hidden passion for gastronomy, and he secretly indulges in the joy of karaoke, unleashing his inner performer whenever the opportunity arises.

BACHELOR OF SCIENCE DEGREE

Today marks Foothill's sixth graduating class receiving a bachelor's degree in dental hygiene. In 2015, Foothill was one of 15 California community colleges selected to offer a baccalaureate program. Students acquire the necessary skills, knowledge and practice in their field for a fraction of the cost of a four-year university or college. Foothill's dental hygiene program has received accolades from the California Community College Chancellor's Office for the attainment of post-college outcomes in employment, earnings gains and regional living wages. Students may enter the job market immediately or choose to pursue a graduate degree upon completing board exams and licensing requirements.

THE ASSOCIATE DEGREE

Earning the associate degree represents more than an accumulation of units. It symbolizes the successful completion of established patterns of learning designed to develop capabilities and insights. Among these are the ability to think and communicate clearly; use mathematics; understand the modes of inquiry of major disciplines; be aware of other cultures, eras and places; gain insight into ethical problems; and develop self-understanding. In addition to all these, the student focuses on one field of knowledge in sufficient depth to contribute to lifetime interest. Additionally, the associate degree for transfer guarantees the student admission with junior standing to the California State University system.

ACADEMIC REGALIA

In the 12th and 13th centuries, when universities were under the jurisdiction of the church, students wore habits, or cloaks with hoods, which were designed to provide warmth in unheated buildings. The more colorful modern academic costume originated at England's Oxford and Cambridge universities in the 1300s, and has been used continuously in the U.S. since colonial days.

The Mortarboard

The mortarboard represents no particular degree or school, except that the short, gold tassel is worn only by holders of the doctorate degree. The tassel may be worn on either side of the cap.

The Gown

The gown itself is usually black for all holders of baccalaureate or higher degrees. Bachelor's and master's degrees styles differ little, but doctorate gowns are faced with velvet panels and velvet bars on the sleeves.

The Hood

Only the hood itself shows by its length and colors the distinction among degrees, academic majors, and colleges or universities that conferred the degrees. The higher the degree, the longer the hood and the wider the velvet facing that outlines the hood. The color of the velvet facing denotes the academic area in which the degree was awarded. The colors of the satin lining in the hood are the colors of the school where the degree was awarded (e.g., Stanford University colors are cardinal and white; University of California, Berkeley, colors are blue and gold).

Field Colors

Field colors that symbolize academic areas of study are as follows:

Arts, Letters & Humanities	White
Business	Light Brown
Dentistry	Lilac
Drama	Brown
Economics	Copper
Education & Counseling	Light Blue
Engineering	Orange
Fine Arts	Brown
Journalism	Crimson
Law	Purple
Library Science	Lemon
Mathematics & Physics	Gold
Medicine	Kelly Green
Music	Pink
Nursing	Apricot
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration	Peacock
Science	Gold
Social Science	Citron
Speech	Silver
Veterinary Science	Gray

OUR MISSION STATEMENT

Believing a well-educated population is essential to sustaining and enhancing a democratic society, Foothill College offers programs and services that empower students to achieve their goals as members of the workforce, as future students, and as global citizens. We work to obtain equity in achievement of student outcomes for all California student populations, and are guided by our core values of honesty, integrity, trust, openness, transparency, forgiveness, and sustainability. Foothill College offers associate degrees and certificates in multiple disciplines, and a baccalaureate degree in dental hygiene.

A LEGACY OF INNOVATION

In 1957, founding Superintendent Dr. Calvin C. Flint surveyed the 122-acre site that would soon be transformed into one of the nation's preeminent community colleges. He envisioned a campus that would foster innovation and academic excellence. As Foothill celebrates our 63rd annual Commencement Ceremony, we renew our commitment to that legacy of innovation.

From our first graduating class of 37 students in 1960, Foothill has grown to serve approximately 10,000 students each quarter. Foothill was recently recognized as one of the very best community colleges in the country and as a national leader in transfer and workforce pathways.* This recognition is due to the exemplary work of our dedicated faculty and staff and the talents of the extraordinary students who graduate each year.

This year, we also celebrate our sixth cohort of students who will receive a Bachelor of Science degree in Dental Hygiene. We have also been approved to add a second Bachelor of Science degree in Respiratory Therapy. Foothill is one of only three community colleges to be approved to offer two baccalaureate degrees in the State of California.

Founded on the principal of educational opportunity for all, Foothill Colleges provides quality education with an equity focus. Innovation, excellence, and empathy are the very essence of the college's academic programs and services and the college will continue to build on these strengths into the future.
