What is Summer Academy?

Get yourself a head start! Summer Academy is an eight day summer bridge program to help students successfully transition into their first year at Foothill College. During Summer Academy, you will be given the tools needed to succeed in your first year of college including math, writing, study and self advocacy skills.

What happens at Summer Academy?

- Math and Writing workshops where you'll get a head start with the basic skills you need to succeed in these classes once school begins in Fall
- College Success seminars where you will be working with our First Year Experience Counselor and with Learning Specialists to help you identify your learning styles and stressors so as to optimize your learning experience at Foothill College
- Counseling 50 or Introduction to College is a 1-unit course that addresses course requirements for various degrees offered here at Foothill College as well as transfer requirements for students planning to transfer to a four year college.
- Field trips to 2 different 4 year colleges in the bay area
- Guest speakers: hear from successful Foothill Alumni and other professionals about their college journey

Date: Summer Academy runs from September 2 – 11

Time: 8:00 a.m. – 4:30 p.m. each day
