DISCUSSION ITEMS	FOLLOW-UP
<p><b>Burning Issues</b> Maureen drew up a document of our accomplishments. We've done a lot of work. We have our own office, phone, email, and computer. For starters, MC is going to schedule a meeting with Judy to really talk about shared governance and her experience as Classified Senate President. She suggested to our bargaining unit that this be written into our contract: "being on Classified Senate is work..." We almost had enough money to give a scholarship this year. But we will certainly have enough by next year. Erin Ortiz would like to foster a better relationship with student groups. Can we have a rep at these meetings?</p>	<p><b>Burning Issues</b> Maureen drew up a document of our accomplishments.
