PETITION INSTRUCTIONS

Petitions for academic matters are reviewed by the Academic Council, Dean of counseling and Student Services and/or the Associate Registrar. Petitions for exceptions to registration policies are reviewed by the Associate Registrar. A counselor signature is required on all academic petitions. Some may also require a signature of a division dean and/or instructor. Incomplete petitions will not be reviewed and will be returned for additional information and/or documentation. You must write clearly and concisely.

1. Academic matters include: excessive units, course substitutions, disqualification and graduate/certificate requirement waivers. Exceptions to Registration policies include: late adds, drops, withdrawals, registrations, refund exceptions and time conflicts.
2. Grade corrections (change of grade) are NOT petition items. By law, only the instructor may correct a grade. Contact your instructor.
3. Petitions must include all necessary information including course ID number, course name, recommendation of instructor and reason for the petition.
4. Late Adds/Drops must have instructor verification of first and/or last date of attendance and signature. You must include the course ID in your request. It is still the student's responsibility to complete the add/drop/withdrawal process.
5. Time Conflicts must include a statement signed by your instructor as to exactly how the missed time will be made up. You must also include information about which classes will conflict, the amount of time and what days.
6. Disqualifications must include the reason for disqualification, means of improvement and plan of action for success. Counselor signature required.
7. Excessive Units must include the amount of units requested, reason for the amount and the exact classes you wish to take. Counselor signature required.
8. Substitutions and/or waivers (graduation/certificates) require course descriptions, transcripts and/or other documentation. Counselor signature required. May also require recommendation and signature from division dean and/or instructor.
9. Allow 48-72 hours processing time. You may obtain a copy at Admission. Copies not picked up will be mailed.

Petition results are not discussed via telephone. If you want to discuss or appeal the results of your petition, do one of the following:

- A) For registration policy exceptions make an appointment with the Associate Registrar.
- B) Some academic matters may need to go through the Academic Council. To request a personal appearance before the Academic Council contact the Evaluations Office Technician.
