

Exploring CCC, UC and CSU Courses in Your Discipline

The ASSIST Course Search

The ASSIST database is the repository of articulation for all California Community College, California State University and University of California campuses. You may search for comparable courses by keyword or course title. Please e-mail the articulation officer at daybernie@foothill.edu to obtain a username and password.

1. Access the ASSIST Information Center web site:
http://info.assist.org/maint_reports.html
2. Select “*ASSIST Maintenance Reports*”.
3. Enter Username: Foothillfac
4. Enter Password: pizzazz
5. Select “*Course Search*” from column on left.
6. Enter desired keyword(s) or course title in “*Search in the Course Title:*” data field. (Examples: social welfare; Chicano; JAVA)
7. Leave the various drop down menus in their default settings.
8. Select “*continue*” at the bottom of the page.
9. A list of potential comparable courses will be displayed.
10. Review potential comparable courses two ways:
 - A. Review available online course outlines by selecting OSCAR pdf for appropriate courses or
 - B. Reviewing descriptions in the appropriate course catalog. Note: Online college and university catalogs are available on the Articulation webpage at <http://www.foothill.edu/staff/irs/Articulation/index.html> (see list of catalogs on the CSU and UC sections) or
 - C. Accessing the *College Source* online catalog database at <http://www.collegesource.org/idxsearch.asp> .
11. Other ASSIST features:
 - A. See a complete list of courses approved for IGETC, CSU GE, LDTP and more.
 - B. Examine how your course(s) is approved for articulation with other institutions.

Please contact Bernie Day, Articulation Officer, at 650.949.7225 if you have questions about the use of this feature, or other articulation issues.
