

Dear Professor Seyedin,

I would like to take this opportunity to invite you and your students to visit the California Board of Accountancy's (Board) Web site at [www.dca.ca.gov/cba](http://www.dca.ca.gov/cba). Visitors are not required to register and all posted information can be accessed free of charge at any time.

Our Web site contains essential and comprehensive information regarding the requirements to qualify to sit for the Uniform CPA Examination and obtain a CPA license in California. Exam and licensing related information is presented in several easy-to-read informational handbooks, including:

- ◆ **Uniform CPA Exam Handbook for First Time Applicants**
- ◆ **Uniform CPA Exam Handbook for Repeat Applicants**
- ◆ **Handbook for Initial Licensure**

The site also maintains interactive features and forms, including an application to sit for the CPA Examination and a soon-to-be released Customer Service Satisfaction Survey. There are several PDF-enhanced forms available on the site as well that can be filled out on-line to be submitted by mail or fax.

The Web site is updated daily to ensure the information displayed is current. Changes may include updates to links, calendar activities, disciplinary actions, notices, FAQs, Board contact information, regulations, exam process information, forms, and publications.

As a general practice, we recommend browsing our Home, What's New, and Special Notices pages weekly, as we use these pages to announce and highlight updates. Our Information Handbooks are updated as new information becomes available, often several times a year.

If you have questions or specific information you would like discuss, you may contact me directly at (916) 561-1740. Please encourage your students to contact the Board for assistance using the general contact information provided below.

Sincerely,

Patti Bowers, Chief  
Licensing Division  
California Board of Accountancy
