## 90 seconds pitch on your activity petition

### A. Makers Project Club

- a. The purpose of our Makers Project Club is to provide a platform for students to learn and explore the manufacturing processes for parts using composite materials. Through hands-on learning, workshops, and collaborative projects, we aim to empower members with the skills and knowledge necessary to innovate in the field of composite materials. Additionally, we strive to support other STEM clubs by offering expertise, resources, and guidance to enhance the success of their projects, fostering a culture of interdisciplinary collaboration and excellence within our school community.

### B. Los Jaguares

- a. We are a student club working towards the mental, physical, spiritual wellness of latino students on campus through community work and education. Creating safe spaces on campus for latin@s of all background and getting involved in community work both within and outside campus.

### C. Women in Engineering

- a. Highlighting the accomplishments and struggles of individual women in engineering fields and creating a supportive community for those without a dominant gender identity in engineering degrees at Foothill.

### D. Foothill Art Society

- a. We at the Foothill Art Society, in order to beautify our lives, campus and world, establish this club. We believe Art is multifaceted, including, but not limited to, chalk, painting, poetry, music, clothing, and others. We also believe in the power of art, both collaborative and individual, to change society and the world as a whole. We seek to put on campus events, facilitate dialogue of beautification of our world, and invite artists to speak on their pieces.

- VII. **Activity Petitions (Discussion / Action):** Wording: **“(Your club name) moves to approve the activity petition for (other club’s name).”** **Duration: 5 min**
