Club Activations/Reactivations:

Duration: 10 min

90 seconds pitch on your activity petition

A. EOPS Club

- a. To do activities with EOPS students and make a community.

B. Book Arts Club

- a. This club aims to promote and foster the analysis, the discussion, and the exchange of ideas regarding various genres of literature such as, but not limited to, academic journals, history, romance, science-fiction, and

mystery. Through a combination of events, facilitated discussions, presentations, and meetings, a greater understanding and opportunity to relate literature to real-world issues is presented.

C. PreMed Pioneers Club

- a. The purpose of the PreMed Pioneers Club is to unite aspiring medical students with a shared vision of entering the realm of healthcare as future physicians.

D. Foothill Chess Club

- a. We aim to create a space where people can build community through chess. People of all skill levels are welcome.

E. Archery Club

- a. To foster a community of students who are passionate about archery.

F. Yoga and Meditation Club

- a. Create and provide a collaborative environment to practice YOGA. Yoga has a very broad definition, meaning, and domain, which includes physical fitness, mental fitness (meditation), breathing exercises, or any endeavor that explores human growth and enrichment, such as dance and music.

G. National Society of Leadership & Success

- a. The purpose of this club is to empower students through promoting leadership training and opportunities.

H. Math Club

- a. The purpose of the math club is to create a community where the interchange of ideas, collaboration, and the cultivation of a passion for mathematics is facilitated.

I. TOPIC

- a. To connect students with real CEOs and business leaders so they can get real exposure to the ins and outs of starting a business and learn from the best.

J. Statistic Club

- a. Statistics Club is dedicated to igniting and nurturing students' passion for statistics. Through educational, collaborative, and practical activities, we enhance students' statistical skills and critical thinking abilities. By regularly hosting workshops, lectures, and practical projects, we invite experienced professionals to share their knowledge while encouraging students to engage in data analysis and scientific competitions. We believe that these activities will provide students with valuable experiences on their academic and career paths, laying a solid foundation for their future professional lives. We are committed to creating a supportive and inspiring

environment where all members can find opportunities for growth and success in the world of data analysis.

90 seconds pitch on your activity petition

- A. Global Medical/Dental Brigade Club: Movie Night, June 6th, 2024 (TBD), 6:30 PM - 9:00 PM, Hearthside Lounge
 - a. We are planning to host a movie night on one of the Thursdays of June (dates still yet to confirmed). We will be providing foods like drinks and popcorns, and it is free for all. As for the movie, we are still trying to figure it out. And during the movie night, we will have donation boxes set up to collect any donations for hygiene products like toothbrush, toothpastes, shampoos, etc. that are not expired. These donations will go to patients in Honduras in need. Contact Shuoshuo at @talanli0329@gmail.com for more details.
- B. Global Medical/Dental Brigade Club: Hygiene Products Donation Kick Off Event, May 20th or May 22nd (TBD), 10:00 AM - 1:00 PM, Library Quad
 - a. We're planning to set up donation boxes around the campus to collect essential hygiene products like toothbrushes, toothpaste, shampoo, and sunscreen lotions. These donations will be making their way to patients in Honduras who could really use them. To make giving easy, we'll have donation boxes popping up all over campus. We are planning to have the donation kick off event most likely on the Monday of the May 20th Week. The first batch of donors at our kick-off event will score some free donuts! Contact Shuoshuo at @talanli0329@gmail.com for more details.
- C. Robotics Club: Battlebots Competition, May 19th, 2024, 9:00 AM - 4:00 PM, San Jose Industrial Metal Supply
 - a. Join Robotics club as we compete our robot at SJSU's Spartan Bell Slugfest! We will be building our next revision of our battlebot. The event will start at 9:00 at Industrial Metal Supply, where we will meet <https://www.robotcombatevents.com/events/1301>. Admission is free, open to all!
