- ❖ **GE Subcommittee Membership:** Are you interested in being more involved with curriculum, but are short on hours? Serving on a GE subcommittee may be the perfect fit! We are in need of more volunteers to review GE applications. Even if you don't teach in a specific GE area, you can still serve on the subcommittee for that area. If you're interested or would like further information, please contact your CCC Reps, Eric, or Mary. We'd love to have you!
- ❖ **CCC Topics for 2019-20:** Curious about what topics CCC will be discussing this academic year? The committee is developing a list of priorities for this year. Feel free to connect with your CCC Reps for a copy of the planning document.

Reminders:

- ❖ **Local GE Applications:** Do you know of a course that may be a good fit for our local GE pattern? The general education application period is open! Please contact your CCC Reps for more information.
