1. APPROVED: Reactivation of R T 74 (see attached memo): Will be updated it to make sure it meets the needs of R T clinical partners and the national guidelines
2. APPROVED: Addition of prerequisites for R T classes (content review forms are attached)
R T 50 Prereq: AHS 52 (Med term)
R T 53AL Prereq: R T 50
R T 53BL Prereq: R T 53AL
R T 53CL Prereq: R T 53BL
3. APPROVED: DMS 50B: Adding AHS 52 as a prerequisite (to replace AHS 200), content review form is attached
4. APPROVED: Changing the TOP and SAM codes of HLTH 20, 21, 22 and 23 as follows:
 - TOP Code: 1260.00 – Health Professions, Transfer Core Curriculum
Studies that satisfy the academic transfer requirements of the core curriculum for health professions.

- SAM Code: D (Possibly Occupational - taken by students in the beginning stages of their occupational programs; can also be used for service (or survey) courses for other occupational programs [this is the code we assign to most vocational courses, outside of Allied Health])
5. APPROVED: HORT: 9 new course proposals: These are non-credit versions of the industry training courses. 400 series are the pesticide certifications and the 401 series are the landscape contracting series (parallel courses to the proposed HORT 80 E-J)
 6. APPROVED: D A 100: Law and Ethics for the Dental Assistant: This is a new course for the Dental Assisting program
 7. APPROVED: Paramedic Program Sheet Change: Dave would like to add AHS 60C to the First Quarter, and AHS 60D & 60F to the Third Quarter. Doing so would bring the total units for the degree to 76.5 (from 70.5)
