### **II. CNSL 1 and CNSL 52 Background (Voltaire)**

- Voltaire to provide background to CNSL 1 and CNSL 52
  - Inherited courses from previous Counselors and was designed for the learning communities and to create WSCH
  - Thematically both CNSL 1 and CNSL 52 have the same concepts however they are taught differently
    - CNSL 1- Practical Application
      - Bare bones
    - CNSL 52- Theoretical Application (Applied Psyc)
      - Thinking about the way you think
      - Other CCs have equivalent courses counting towards GE
  - Reason to keep CNSL 1 would be for learning communities
  - Reason to keep CNSL 52 would be to compare equivalent courses at other CCs for transferability
    - Will need to discuss this with our Articulation Officer, Bernie Day
