 - This course would serve to meet the needs of:
 - 1st year students
 - Probation students
 - Dual Enrolled students
 - Returning Students
 - Discussed using De Anza's HUMA 20 as a blue print since it is UC/CSU transferable and on CSUGE Area E
 - Before moving forward, discussed speaking with the learning communities regarding the purpose of the personal development course for their community and if a course like HUMA 20 would meet the needs of their students?
