Attendees: Ben Schwartzman, Anh Tran, LeeAnn Emanuel

1. Discussion of Course Deactivation Exemption
  - a. Determined that we should keep the 2 ALLD courses and the 2 ALCB courses
    - i. ALLD for AB 705 reasons
    - ii. ALCB because the courses will be taught in the future once the budget situation gets better and we can hire more instructors to teach the courses
  - b. Ben to check in with Rita regarding the PHDA course
2. Discussion of there being no class on topic of disability in the list of courses for the Social Justice AD-T
  - a. SPED 1 or SPED 2 would be great courses to add to Social Justice AD-T if possible
    - i. Problem is that we do not have an instructor to teach it, everyone is maxed out on their availability
      1. When budget situation gets better we could have an instructor teach it
      2. Would need to advertise the course, last time it was taught it was difficult to get students to take it
        - a. Could be easier to get students if it was part of this ADT
