FOOTHILL COLLEGE
College Curriculum Committee

Division Curriculum Committee Meeting Agenda
Division: PSME   **Date:** May 26, 2020
Attendees: Marnie Francisco, Ron Painter, Anand Venkataraman, Marc Knobel

Meeting Agenda:

Course	Title	Action
CHEM 9	Chemistry of Cooking	COR approved and sent to Instruction Office
CHEM 12A	Organic Chemistry	COR approved and sent to Instruction Office
CHEM 12B	Organic Chemistry	COR approved and sent to Instruction Office
CHEM 12C	Organic Chemistry	COR approved and sent to Instruction Office
PHYS 6	Introductory Physics	COR approved and sent to Instruction Office
MATH 1A	Calculus	COR approved and sent to Instruction Office
MATH 1AH	Honors Calculus I	COR approved and sent to Instruction Office
MATH 1B	Calculus	COR approved and sent to Instruction Office
MATH 1BH	Honors Calculus II	COR approved and sent to Instruction Office
MATH 1C	Calculus	COR approved and sent to Instruction Office
C S 1A	Intro. Obj. Oriented. Programming in Java	COR approved and sent to Instruction Office
C S 1AH	N/A	Deactivation approved and sent to Instruction Office
C S 1B	Intermediate Object Oriented programming in Java	COR approved and sent to Instruction Office
C S 1C	Advanced Data Structures and Algorithms in Java	COR approved and sent to Instruction Office
C S 1M	Intermediate Algos and Data Structures in Java	COR approved and sent to Instruction Office
C S 2A	Intro. Obj. Oriented programming in c++	COR approved and sent to Instruction Office
C S 2AH	N/A	Deactivation approved and sent to Instruction Office
C S 2B	Intermediate Object Oriented programming in c++	COR approved and sent to Instruction Office
C S 2C	Advanced Data Structures and Algorithms in c++	COR approved and sent to Instruction Office
C S 2M	Intermediate Algos and Data Structures in c++	COR approved and sent to Instruction Office
C S 3A	Intro. Obj. Oriented. Programming in Python	COR approved and sent to Instruction Office
C S 10	Computer Architecture	COR approved and sent to Instruction Office
C S 21B	Intermediate Python Programming	COR approved and sent to Instruction Office
C S 30A	Introduction to Linux	COR approved and sent to Instruction Office

C S 30B	Linux Shell Programming	COR approved and sent to Instruction Office
C S 40A	SW Engineering Methodologies	COR approved and sent to Instruction Office
C S 49	Foundations of Computer Programming	COR approved and sent to Instruction Office
C S 50A	Network Basics (CCNA)	COR approved and sent to Instruction Office
C S 50B	Routing and Switching Essentials (CCNA)	COR approved and sent to Instruction Office
C S 50C	Scaling LANS (CCNA)	COR approved and sent to Instruction Office
C S 50D	Connecting Networks-WANS (CCNA)	COR approved and sent to Instruction Office
C S 50E	Intro to IP Network Security	COR approved and sent to Instruction Office
C S 52A	Advanced IP Routing Protocols and Services (CCNP)	COR approved and sent to Instruction Office
C S 52B	Advanced Switching and Campus LAN Design (CCNA)	COR approved and sent to Instruction Office
C S 52C	N/A	Deactivation approved and sent to Instruction Office
C S 53A	Cybersecurity Fundamentals	COR approved and sent to Instruction Office
C S 53B	Firewalls and Threat Management	COR approved and sent to Instruction Office
C S 53C	Ethical Hacking	COR approved and sent to Instruction Office
C S 53D	Intro to Computer Forensics	COR approved and sent to Instruction Office
C S 54B	VMWare VSphere – Install, configure and manage	COR approved and sent to Instruction Office
C S 54D	Cloud Infrastructure and Services	COR approved and sent to Instruction Office
C S 56B	IT Essentials	COR approved and sent to Instruction Office
C S 60C	N/A	Deactivation approved and sent to Instruction Office
C S 64A	Writing Apps for the Android OS in Java	COR approved and sent to Instruction Office
C S 70R	Independent Study in CS	COR approved and sent to Instruction Office
C S 80A	Open Source Contribution	COR approved and sent to Instruction Office
C S 81A	3-D Graphics Programming	COR approved and sent to Instruction Office
C S 82A	Intro to SW Quality Assurance	COR approved and sent to Instruction Office
C S 84A	DB Driven Web App	COR approved and sent to Instruction Office
C S 84B	Distributed Databases	COR approved and sent to Instruction Office

Additional Topics: N/A
