THTR	THTR 22 and THTR 24 to NOT be put in any District wide THTR course families.	<p>We approve to not put these two classes in any course families.</p> <p>There are no full-time theatre Faculty at De Anza therefore the decision to place these courses outlines the course family was made by the division CC. We believe these two courses are not activity courses.</p> <p>We approve both of these courses to be taught online in the Spring 2021 quarter.</p>
ART 4J	Sculpture course family	Our division CC approved this course to be added to the district course sculpture family. We are waiting to hear from the De Anza faculty to confirm this decision.
Division	CourseLeaf restrictions for notifications	The division CC voted they only want departments and full-time faculty to receive notifications and have access to department course outlines. This would be important for faculty on PDL and to have clear communications within the department.
Division	Discussions around Equity and CCC	They want to know if actions being made at the state level for course outline updates and equity.

Actions may include but are not limited to: general updates, substantial changes, changes for C-ID, updates to meet GE areas, number change, add distance learning addendum, etc.
