RSPT 307	Interventional pulmonology theory & application	Approved New Course proposal for upper division course included in proposed BS degree. To be cross-listed with RSPT 85.
RSPT 308	Interventional pulmonology procedures	Approved New Course proposal for upper division course included in proposed BS degree. To be cross-listed with RSPT 86.

Other items:

Remaining items from the March 1st agenda will be discussed at a future meeting.

Question arose to bring to CCC regarding the various online option codes created during the pandemic and how long those options will exist.
