

Federal Work Study Opportunity

Student Administrative Assistant I (Foothill President's Office)

This is a Federal Work-Study Student Position.

Only those with a 2021-2022 Federal Work-Study Award Option from the Financial Aid Office are eligible to apply.

Note: Most Federal Work-Study jobs will be done remotely until we are fully back on campus. Be aware that remote jobs will likely end by December 31, 2021. While there may be some jobs specifically created for our current remote environment, the vast majority of our remote jobs will continue as on-campus jobs when campus re-opens.

- Most of our employers assume that their student employee will be available to physically work on campus once Foothill Campus re-opens.
- If you will not be available to physically work on campus once Foothill Campus re-opens, be sure to indicate that in your job application email.

Any student doing remote work must be physically located in California while working.
