# Onboarding Team Objectives

---

- Pinpoint the interactions during the Onboarding process that facilitate student success for our campus and then replicate them
- Identify the interactions that are creating barriers for our students and then work together to remove those barriers
- Consolidate the onboarding process

# Onboarding updates

---

- Orientation Focus group (Collab w/ OOL)
  - 15 students; Nov 9th–Dec 23rd
  - Think Aloud protocol, Buckets, 5 Main Points
- "There are things critical for students to know at the beginning of their journey at Foothill that are in 'no man's land' that nobody talks about. We need to know these things, but after we apply none of this information is given to us. You have to punch around the website and My Portal to figure it all out." – Kayle
