Commencement*

JUNE 26, 2020

FOOTHILL COLLEGE

Los Altos Hills, California

MISSION STATEMENT

Believing a well-educated population is essential to sustaining and enhancing a democratic society, Foothill College offers programs and services that empower students to achieve their goals as members of the workforce, as future students, and as global citizens. We work to obtain equity in achievement of student outcomes for all California student populations, and are guided by our core values of honesty, integrity, trust, openness, transparency, forgiveness, and sustainability. Foothill College offers associate degrees and certificates in multiple disciplines, and a baccalaureate degree in dental hygiene.

ACHIEVEMENT AWARDS

Dean’s Award recipients wear a gold cord and have achieved a cumulative grade-point average of 3.5–4.0 at Foothill College.

Honors Scholars have completed a minimum of seven honors courses or 23 units of rigorous courses through the Foothill College Honors Institute. See page 22.

ABOUT THIS PROGRAM

This program is dedicated to the Class of 2019-2020, as well as to the Foothill College faculty and staff who have fostered the success of today’s graduates. The college has made every effort to ensure that all information in this publication is accurate and that all persons deserving of recognition are acknowledged. We regret any inadvertent omission.

Foothill College does not discriminate against any person in the provisions of any program or service based on age, ancestry, color, disability, gender, gender identity, marital status, medical condition, national origin, race, religion, sexual orientation or veteran status.

STUDENT SPEAKERS

MAIYAN PEARL | Class of 2020 | Foothill College

Maiyan Pearl is transferring to the University of California, Santa Barbara, to study communications and technological management. She has been on the Dean's List every quarter, served as the Associated Students of Foothill College Vice President of Student Activities and President of SSI and interned at Hillel of Silicon Valley. Maiyan has also had three tech internships that helped her find her passion in marketing and public relations.

Reflecting on her community college experience, Maiyan said, "I am so proud of my accomplishments and just keep thinking how lucky I am that I had Foothill."

Maiyan would like to thank her parents, faculty, staff, advisors, mentors and friends for believing in her future and pushing her to apply for opportunities that have led her to this moment. She hopes to inspire students to take advantage of all the opportunities at Foothill, to be open-minded and to pursue their passions.

SANDALINA SATTAR | Class of 2020 | Foothill College

Sandalina Sattar is a second-year student at Foothill College, transferring this fall to University of California, Berkeley Haas School of Business to pursue a double degree in applied mathematics and business administration. Sandalina has served as the Associated Students of Foothill College Vice President of Finance, worked on campus in the Student Accounts Office, participated in the Honors Institute and Business and Entrepreneurship Club, and presented at the

Research & Service Leadership Symposium. During her time at Foothill, she also has had a laser-focused vision to eradicate the stigma surrounding community college.

Sandalina was born and raised in Cupertino/Santa Clara. She attended Cupertino High School, and in her senior year, was faced with the choice between a four-year university and Foothill College. In her heart, she knew that community college would be more affordable and open up new academic opportunities. However, she was initially discouraged by the stigma surrounding community college at her high school.

"I realized the stigma stemmed from an irrational, elitist mindset. I wanted to rise above this widespread mentality, and carve a different path from my peers. My dad always emphasizes the importance of evaluating the lateral approaches in life. I figured there was some wisdom behind the words of my 50 year-old, Pakistani, first-generation immigrant father."

Sandalina has done outreach work at her alma mater high school. Through her passion-driven work, she has brought in students who have joined and will be joining Foothill College for the next few falls to come.

FACULTY SPEAKER

PATRICK MORRIS | Instructor | Mathematics

B.A. Mathematics, North Dakota State University, 1980
 California Mathematics Teaching Credential, San Jose State University, 1993
 M.S. Mathematics, San Jose State University, 1994

Patrick has been a math faculty member at Foothill since 2001. Born and raised in Fargo, North Dakota, he worked as an actuary for 12 years before becoming an educator. He is near the end of his third decade in the classroom, and has served as an officer of the Academic Senate, as a faculty member on the Equity and Education Council, and on several faculty tenure committees.

Patrick’s professional focus is the intersection of racial equity and mathematics. He has led conference sessions on the topic in Philadelphia, New Orleans, Los Angeles, and Sacramento, and is currently working on his first book, *Assessment for Racial Equity*.

ACADEMIC REGALIA

In the 12th and 13th centuries, when universities were under the jurisdiction of the church, students wore habits, or cloaks with hoods, which were designed to provide warmth in unheated buildings. The more colorful modern academic costume originated at England’s Oxford and Cambridge universities in the 1300s, and has been used continuously in the U.S. since colonial days.

The mortarboard represents no particular degree or school, except that the short, gold tassel is worn only by holders of the doctorate degree. The tassel may be worn on either side of the cap.

The gown itself is usually black for all holders of baccalaureate or higher degrees. Bachelor’s and master’s degrees styles differ little, but doctorate gowns are faced with velvet panels and velvet bars on the sleeves.

Only the hood itself shows by its length and colors the distinction among degrees, academic majors, and colleges or universities that conferred the degrees. The higher the degree, the longer the hood and the wider the velvet facing that outlines the hood. The color of the velvet facing denotes the academic area in which the degree was awarded. The colors of the satin lining in the hood are the colors of the school where the degree

was awarded (e.g., Stanford University colors are cardinal and white; University of California, Berkeley, colors are blue and gold).

Field colors that symbolize academic areas of study are as follows:

- Arts, Letters & Humanities White
- Business Light Brown
- Dentistry Lilac
- Drama Brown
- Economics Copper
- Education & Counseling Light Blue
- Engineering Orange
- Fine Arts Brown
- JournalismCrimson
- Law Purple
- Library Science Lemon
- Mathematics & Physics Gold
- Medicine Kelly Green
- Music Pink
- Nursing Apricot
- Philosophy Dark Blue
- Physical Education Sage Green
- Public Administration Peacock
- Science Gold
- Social Science Citron
- Speech Silver
- Veterinary Science Gray

THE BACHELOR'S DEGREE

Today marks Foothill's third graduating class receiving a bachelor's degree in dental hygiene. In 2015, Foothill was one of 15 California community colleges selected to offer a baccalaureate program. Students acquire the necessary skills, knowledge and practice in their field for a fraction of the cost of a four-year university or college. Foothill's dental hygiene program has received accolades from the California Community College Chancellor's Office for the attainment of post-college outcomes in employment, earnings gains and regional living wages. Students may enter the job market immediately or choose to pursue a graduate degree upon completing board exams and licensing requirements.

THE ASSOCIATE DEGREE

Earning the associate degree represents more than an accumulation of units. It symbolizes the successful completion of established patterns of learning designed to develop capabilities and insights. Among these are the ability to think and communicate clearly; use mathematics; understand the modes of inquiry of major disciplines; be aware of other cultures, eras and places; gain insight into ethical problems; and develop self-understanding. In addition to all these, the student focuses on one field of knowledge in sufficient depth to contribute to lifetime interest. Additionally, the associate degree for transfer guarantees the student admission with junior standing to the California State University system.

ALMA MATER

Oh, Foothill we raise our voices in praise
For all of the joys we've known.
Your scarlet and black will welcome us back,
No matter how far we may roam.
By the bay and the blue of Pacific's shore
Lies the campus we'll love forever more.
Oh, college so fair, there's none can compare
With you, alma mater we love.

*Music and lyrics originally composed by Foothill College
instructors Fred Warren and Melvin Applebaum*

LIFT EV'RY VOICE AND SING

Lift ev'ry voice and sing
'Til earth and heaven ring
Ring with the harmonies of Liberty
Let our rejoicing rise
High as the list'ning skies
Let it resound loud as the rolling sea
Sing a song full of the faith that the dark past has
taught us
Sing a song full of the hope that the present has
brought us
Facing the rising sun of our new day begun
Let us march on 'til victory is won

*Written by James Weldon Johnson
Music by John Rosamond Johnson*

THE STAR-SPANGLED BANNER

O say can you see by the dawn's early light,
What so proudly we hailed at the twilight's last
gleaming,
Whose broad stripes and bright stars through the
perilous fight,
O'er the ramparts we watched, were so gallantly
streaming?
And the rockets' red glare, the bombs bursting in
air,
Gave proof through the night that our flag was still
there;
O say does that star-spangled banner yet wave,
O'er the land of the free and the home of the
brave.

A LEGACY OF INNOVATION

In 1957, founding Superintendent Dr. Calvin C. Flint surveyed the 122-acre site that would soon be transformed into one of the nation's preeminent community colleges. He envisioned a campus that would foster innovation and academic excellence. As Foothill celebrates our 60th annual Commencement Ceremony, we renew our commitment to that legacy of innovation.

From our first graduating class of 37 students in 1960, Foothill has grown to serve approximately 13,000 day, evening, and online students each quarter. Foothill is a nationally recognized leader in educational excellence and is ranked the #1 community college in California, according to Washington Monthly. This recognition is due to the exemplary work of our dedicated faculty and staff and the talents of the extraordinary students who graduate each year.

This year, we also celebrate the third cohort of students who will receive a Bachelor of Science degree in Dental Hygiene. Foothill College is one of 15 community colleges offering baccalaureate degrees in the State of California.

Service leadership is Foothill College's vision for educating students and preparing them to be leaders. Students participate in service leadership projects in and out of the classroom, locally and internationally. Projects take place throughout the year and culminate in the annual Research & Service Leadership Symposium, which takes place each May.

Founded on the principle of educational opportunity for all, Foothill College provides quality education with an equity focus. The physical beauty, architectural integrity and hilltop location of Foothill College symbolize the distinction and innovation that are the essence of the college's academic programs and services.
