 FOOTHILL COLLEGE

COMMENCEMENT

— JUNE 27, 2025 —

Los Altos Hills, California

LAND ACKNOWLEDGEMENT

Horše túuxi! (Hor-sheh troo-hee)

Foothill College recognizes that it is located on the ethnohistoric territory of the ancestral and traditional land of the Puichon Thámien Ohlone-speaking People, and the successors of the historic sovereign Verona Band of Alameda County, presently identified as the Muwekma Ohlone Tribe of the San Francisco Bay Area. This land was and continues to be of great importance to the Muwekma Ohlone Tribe and other familial descendants of the Verona Band.

We recognize that every member of the greater Foothill College/Los Altos Hills community has, and continues to benefit from, the use and occupation of this land, since the institution's founding in 1957. Consistent with our values of community, equity-mindedness, and transparency, we have a responsibility to acknowledge and make known through various enterprises Foothill College's relationship to Native peoples. As members of the Foothill College/Los Altos Hills community, it is vitally important that we not only recognize the history of the land on which we live, work, and learn, but also, we recognize that the previously federally recognized Muwekma Ohlone Tribal People are alive and flourishing members of the Foothill College/Los Altos Hills and broader Bay Area communities today. Aho!

THE STAR-SPANGLED BANNER

O say can you see by the dawn's early
light,
What so proudly we hailed at the
twilight's last gleaming,
Whose broad stripes and bright stars
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rockets' red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there;
O say does that star-spangled banner
yet wave,
O'er the land of the free and the home
of the brave.

Composed by Francis Scott Key

LIFT EV'RY VOICE AND SING

Lift ev'ry voice and sing
'Til earth and heaven ring
Ring with the harmonies of Liberty
Let our rejoicing rise
High as the list'ning skies
Let it resound loud as the rolling sea
Sing a song full of the faith that the dark
past has taught us
Sing a song full of the hope that the
present has brought us
Facing the rising sun of our new day
begun
Let us march on 'til victory is won

*Written by James Weldon Johnson
Music by John Rosamond Johnson*

ALMA MATER

Oh, Foothill we raise our voices in
praise
For all of the joys we've known.
Your scarlet and black will welcome
us back,
No matter how far we may roam.
By the bay and the blue of Pacific's
shore
Lies the campus we'll love forever
more.
Oh, college so fair, there's none can
compare
With you, alma mater we love.

*Music and lyrics originally composed by
Foothill College instructors Fred Warren and
Melvin Applebaum*

SPEAKERS

EMILY CARBAJAL AGUILAR

Student Speaker

Emily Carbajal Aguilar is a first-generation college student from a Honduran family. A Bay Area native and proud representative of Central America, and especially Honduras, she has shown resilience through adversity and by standing strong. Unapologetically herself, loud and proud, Emily has been able to break many educational barriers and shown perseverance through her journey in higher education. She is a testament to how community can impact one's life. As she graduates, Emily hopes to continue representing and advocating for her community through her story.

SUZY HUERTA QUEZADA

Faculty Speaker

Professor Suzy Huerta Quezada is a first-generation college graduate and proud daughter of Mexican immigrants, entering her 20th year teaching English here at Foothill College. She earned her bachelor's degree in English from UC Berkeley and her master's in education from UC Santa Cruz. A Bay Area native, Suzy was born of apricot dreams on cannery conveyor belts and raised on picket lines among the dying orchards of San Jose, California. She is a poet, a VONA alum, a Lucile Clifton Fellow at the Community of Writers Writing Workshop, and a Macondo Fellow. Her work has appeared in *Huizache*, *Ursa Major*, *La Bloga*, *The Packinghouse Review*, *Imaninan: Writing in the Anzaldúan Borderlands*, *Poesía en Vuelo*, and other anthologies.

THE BACHELOR OF SCIENCE DEGREE

In 2015, Foothill was one of 15 California community colleges selected to offer a baccalaureate program. Students acquire the necessary skills, knowledge and practice in their field for a fraction of the cost of a four-year university or college. Foothill's Health Sciences programs have received accolades from the California Community College Chancellor's Office for the attainment of post-college outcomes in employment, earnings gains and regional living wages. Students may enter the job market immediately or choose to pursue a graduate degree upon completing board exams and licensing requirements. Foothill offers Bachelor of Science degrees in Dental Hygiene and Respiratory Care.

THE ASSOCIATE DEGREE

Earning the associate degree represents more than an accumulation of units. It symbolizes the successful completion of established patterns of learning designed to develop capabilities and insights. Among these are the ability to think and communicate clearly; use mathematics; understand the modes of inquiry of major disciplines; be aware of other cultures, eras and places; gain insight into ethical problems; and develop self-understanding. In addition to all these, the student focuses on one field of knowledge in sufficient depth to contribute to lifetime interest. Additionally, the associate degree for transfer guarantees the student admission with junior standing to the California State University system.

SCHOLARSHIPS

Foothill-De Anza offers a wide range of need- and merit-based scholarships for both part-time and full-time students across most academic disciplines—providing crucial financial support that students never have to repay. These scholarships help cover essential school-related expenses and are available through a free and accessible application process.

This vital support would not be possible without the generosity of our donors. Through their contributions, the Foothill-De Anza Foundation has raised millions of dollars in charitable funding that enriches our colleges in countless ways—from supplies and stipends to internships and scholarships. These investments directly impact the academic journey of thousands of students each year, helping them thrive while ensuring Foothill College continues to uphold our core commitment to open access for all.

Today, we honor not only our student recipients, whose hard work and determination inspire us, but also our donors, whose unwavering support helps make their success possible.

ACADEMIC REGALIA

In the 12th and 13th centuries, when universities were under the jurisdiction of the church, students wore habits, or cloaks with hoods, which were designed to provide warmth in unheated buildings. The more colorful modern academic costume originated at England’s Oxford and Cambridge universities in the 1300s, and has been used continuously in the U.S. since colonial days.

The Mortarboard

The mortarboard represents no particular degree or school, except that the short, gold tassel is worn only by holders of the doctorate degree. The tassel may be worn on either side of the cap.

The Gown

The gown itself is usually black for all holders of baccalaureate or higher degrees. Bachelor’s and master’s degrees styles differ little, but doctorate gowns are faced with velvet panels and velvet bars on the sleeves.

The Hood

Only the hood itself shows by its length and colors the distinction among degrees, academic majors, and colleges or universities that conferred the degrees. The higher the degree, the longer the hood and the wider the velvet facing that outlines the hood. The color of the velvet facing denotes the academic area in which the degree was awarded. The colors of the satin lining in the hood are the colors of the school where the degree was awarded (e.g., Stanford University colors are cardinal and white; University of California, Berkeley, colors are blue and gold).

Field Colors

Field colors that symbolize academic areas of study are as follows:

Arts, Letters & Humanities	White
Business	Light Brown
Dentistry	Lilac
Drama	Brown
Economics	Copper
Education & Counseling	Light Blue
Engineering	Orange
Fine Arts	Brown
Journalism	Crimson
Law	Purple
Library Science	Lemon
Mathematics & Physics	Gold
Medicine	Kelly Green
Music	Pink
Nursing	Apricot
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration	Peacock
Science	Gold
Social Science	Citron
Speech	Silver
Veterinary Science	Gray

OUR MISSION

Embracing inclusivity and building strong communities, Foothill College serves diverse learners and equips its students with critical thinking skills to address complex societal challenges, to thrive in the global workforce, and to engage in a life of inquiry.

A LEGACY OF INNOVATION

In 1957, founding Superintendent Dr. Calvin C. Flint surveyed the 122-acre site destined to become one of the nation's leading community colleges. He envisioned a campus dedicated to fostering innovation and academic excellence. As Foothill College celebrates its 65th annual Commencement Ceremony, the college renews its commitment to that enduring legacy.

From a first graduating class of just 37 students in 1960, Foothill has grown to serve approximately 11,000 students each quarter. For the third consecutive year, Foothill College has been ranked the #1 community college in California and is recognized nationally as a leader in transfer and workforce pathways.* This ongoing recognition reflects the extraordinary efforts of our faculty and staff and the talent, drive, and resilience of the students who graduate each year.

This year, we proudly celebrate our eighth cohort of students earning a Bachelor of Science degree in Dental Hygiene. We are now also offering a second baccalaureate program, in Respiratory Therapy, making Foothill one of only eight community colleges in California authorized to offer two bachelor's degrees. These advanced programs continue to expand access to high-quality, low-cost workforce training right here in your community.

In another exciting milestone, and upholding Foothill College's great tradition of innovation, in 2024 Foothill started the nation-leading Process Technician Apprenticeship Pathway for semiconductor manufacturing. This program has already graduated two cohorts of apprentices who are now working in high-wage careers in Silicon Valley. And, this April, Foothill hosted its first-ever TEDx event, a groundbreaking moment for our campus.

Founded on the principle of educational opportunity for all, Foothill College provides an exceptional education with a strong focus on equity. Innovation, excellence, and empathy remain at the heart of our academic programs and student services. These values continue to guide us as we honor our past and shape a future filled with promise and possibility for our students.
