

Foothill College Puente Learning Community Academic Year 2020-21

Prepared by Institutional Research & Planning

- ¹ Demographics and Student Characteristics is based on students' status at the time of their first primary term enrollment (fall, winter or spring) of cohort year. If a student's first primary term of their cohort year was in the fall quarter but they enrolled in the program starting in the winter quarter, the fall term was used.
- ² First-generation college students indicated their parent/guardian's highest educational attainment is high school or less.
- ³ Low-income students reflect household income that is \$24,999 or less.
- ⁴ Full-time unit enrollment reflects units enrolled in first primary term (fall, winter or spring) of cohort year.
- ⁵ Course Success reflects primary terms (fall, winter and spring) of the cohort year. Puente does not offer program courses during the summer. For this reason, summer term is not included in Annual Course Success. Success reflect A, B, C, or P. Non-success reflect D, F, FW, I or NP. Withdrew reflect W or EW.
- ⁶ Transfer Level English/Math reflect completions that occurred anytime and are not limited to the cohort year. Transfer level English/Math includes any transfer level course and is not limited to ENGL 1A or 1T. Time to English/Math Completion is determined by the first term in which students completed transfer level English/Math at Foothill. Completion data from another institution is not included.
- ⁷ Degree/Certificate reflect completions that occurred in the current year for students who were in any Puente cohort.
- ⁸ Enrollment in 2020-21 reflects whether a Puente student from any cohort had a credit enrollment in any course in that term.
