

# Make School

## Enrollment Steps for Fall 2021

# WELCOME TO MAKE SCHOOL

Anne Spalding, Dean of College

## COMMON QUESTIONS

- What are the classes you can expect to take at Make School?
- What does a normal class schedules look like?
- How do you graduate in 2-3 years?
- Can I work part-time?
- Why Macbooks?

# Curriculum & Academics

## CLASSES YOU'LL TAKE

- **Software Product Development (SPD)**
- **Foundation : CS, Web**
- **Track :**
  - **Mobile, Data Science, Frontend Web, Backend Web**
- **One-week intensives**
- **Science & Letters (gen ed)**
- **SWE (Internship)**

# Course at a glance

## Curriculum

- **Industry relevant curriculum** and tools - use the tools you'll use on the job
- Build **projects** to solve a real world problem
- Learn the **skills** you need to build the project as you go.

## Format

- Active Learning - You are coding, exploring, diagraming, discussing, **DOING** most of the time.
- Lecture sets the context: Why is this important? How does it work in industry?
- Instructor is your guide: feedback on your work, suggestions for what to learn next, support when you need it.
- Peer interactions: Pair Coding, Group Work, Discussion.

# Outcomes & Job Readiness

Casey Spurgeon, Career  
Outcomes & Talent Partnerships

**Make School graduates bring a powerful combination of not just tech skills, but soft skills like collaboration, critical thinking, and problem-solving.**

**Hannah Wolf**  
**Campus Recruiter**  
**Spotify**

## COMMON QUESTIONS

- How does MS help us get a job?
- Does previous coding experience count towards SWE?
- What support does MS offer after you graduate?
- Can MS help me get jobs outside of the Bay Area?

# What to expect from Outcomes?

- Asynchronous tutorials that help students draft their career materials that have been reviewed and approved by industry.
- 1:1 coaching that starts at orientation and lasts until a job is secured.

Coaching entails:

- Resume, Portfolio, LinkedIn and Github guidance.
  - Job/internship search strategies
  - Technical/Behavioral mock interviews
  - Salary negotiation
- Industry exposure from Demo Days, Career Fairs and panels

# Our students have been hired at:

Common job titles students obtain:

- Junior Web Developer
- Junior Software Engineer
- Systems Engineer
- Junior Data Analyst
- QA Engineer

**Make School provides students with the resources, tools, community, and projects to level-up - but ultimately, it's up to each student to achieve their own success.**

**Elliot Briant**

**Make School alum**

**Class of 2021**

**Founder of PaySplit,  
former NASA contractor**

**What even is enrollment? Like, what does that even mean?**

**Every new college student ever**

# How do I enroll at Make School for Fall 2021?

Emily Sheldon, Director of Admissions, &  
Tania Gidney, Admissions & Enrollment Manager

# What is “Enrollment?”

According to Top Hat online, “Student enrollment refers to the act of signing up for school and/or specific classes or co-curricular activities at that particular school. The enrollment process is completed after a student is granted admission to a particular school.”

Think of it like a party invitation:

- Being ***admitted*** is receiving the invitation the party.
- ***Enrolling*** is you confirming whether or not you plan to come to the party.

## What **REQUIRED** items can you expect from *Enrollment*???

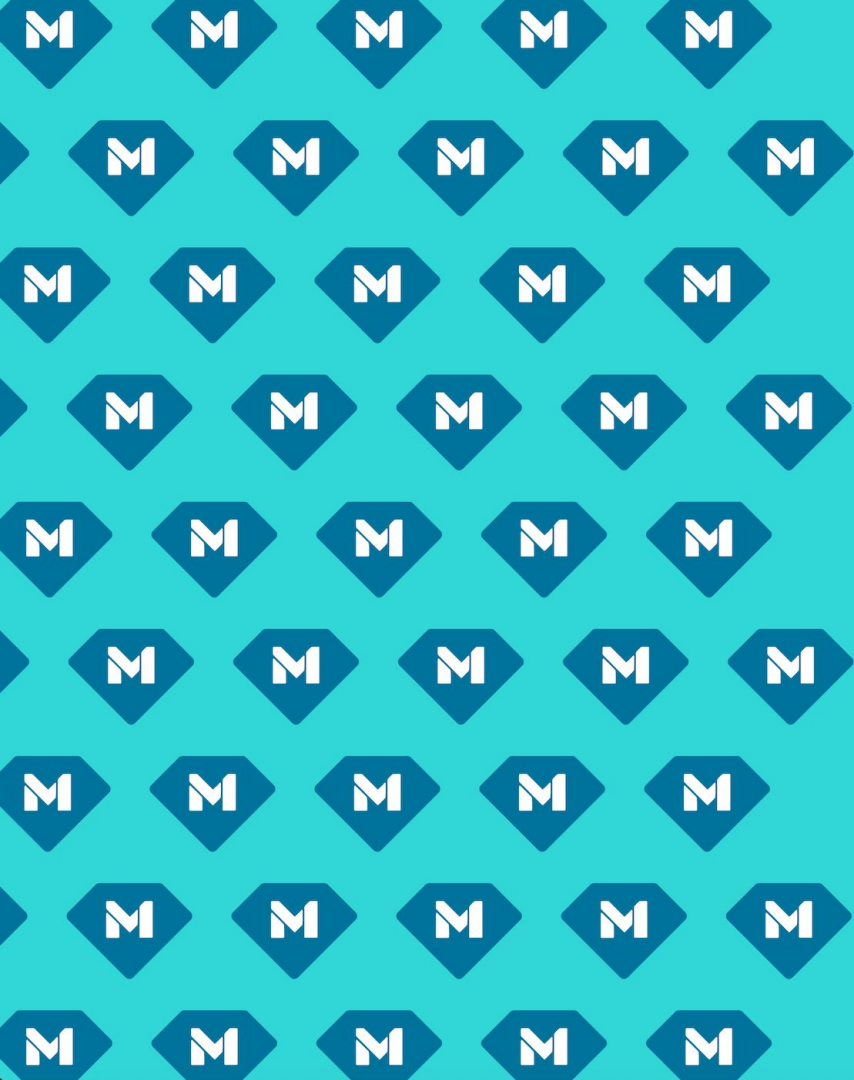

1. Enrollment Fee -- \$250.00\*\*\*
2. Intent to Enroll Form -- onsite or online enrollment option available here.
3. Student Experience Survey
4. Medical History & Immunization Form
5. Final OFFICIAL transcripts
6. Media Consent Form
7. MacBook\*\*\*

# What **OPTIONAL** items can you expect from *Enrollment*???

1. Google CSSi Application
2. Official SAT or ACT scores\*\*\*
3. Official AP, IB, and CLEP exam scores\*\*\*
4. ADA Accessibility Accommodations Form

## Expect some *PRE-WORK*

What is “pre-work”?

Pre-work are tasks and assignments you'll do during the summer to successfully begin your academic journey at Make School!

You can expect some:

- Placement testing
- Portfolio for previous coding experience
- Laptop set-up
- Other task

# Financial Aid

**Complete FAFSA -- <https://studentaid.gov/h/apply-for-aid/fafsa>**

**Attend a Financial Aid meeting: [make.sc/prospective\\_financial\\_aid](https://make.sc/prospective_financial_aid)**

***Learn more at [make.sc/tuition\\_and\\_financial\\_aid](https://make.sc/tuition_and_financial_aid)***

**Due to ongoing challenges brought about by the COVID-19 pandemic, housing information will be released later this Spring.**

**More questions?**

**Email [admissions@makeschool.com](mailto:admissions@makeschool.com)**

**Don't think that your past defines you. If you want to do better for yourself, people will stand up for you. If you work hard enough people will see your change. If you want to come to this school you can. Just take the risk... and start taking steps to where you want to go.**

**Jordan Torres**  
**Current Junior**
