6. (a) The process of CARES Act (HEERF I) fund determination starts with a 'student needs' form being submitted by interested students. That list of students who submitted the form with their COVID-19 related expenses is run through Institutional Research (IR) to check for exclusively online students as of 3-13-2020 (Per DOE requirements) and to check for citizen status. Those allowable COVID-19 related expenses that are fundable by the CARES Act are coded and a set dollar amount per requested need is compiled. The offered funds are then disbursed into the Foothill College Student account for a 100% refund to students.

(b) The process of CRRSA Act (HEERF II) fund determination starts with a 'student needs' form being submitted by interested students. That list of students who submitted the form with their COVID-19 related expenses is validated for eligible payment status. Those allowable COVID-19 related expenses that are fundable by the CRRSA Act are coded and a set dollar

amount per requested need is compiled. The offered funds are then disbursed into the Foothill College Student account for a 100% refund to students.

(c) The process of ARP (HEERF III) fund determination starts with a 'student needs' form being submitted by interested students. That list of students who submitted the form with their COVID-19 related expenses is validated for eligible payment status. Those allowable COVID-19 related expenses that are fundable by the ARP are coded and a set dollar amount per requested need is compiled. Pell Grant recipients receive a higher award amount for Housing and Food expenses. The offered funds are then disbursed into the Foothill College Student account for a 100% refund to students. Awards are paid at 100% with 12+ units or 50% with 6-11.5 units and 100% disbursement for eligible non-credit students.
